Re: US BANKRUPTCY RESPONSE Case # 09-31516-lbr
In Re: PAUL OGALESCO

It is my petition to this court that no removal of the automatic stay be permitted and that the automatic stay be fully supported and allowed to continue, as irreparable harm, financial breakdown, emotional stress and certain damage in the form of denied rights to access to this and other courts would ensue upon this petitioner if removed.

The property under consideration is the only house left and my primary residence. It is my understanding that DEUTSCHE BANK NATIONAL TRUST COMPANY as trustee for MORGAN STANLEY CAPITAL INC. does not own and can not produce the Orginal Note which does not give them the legal standing to foreclose.

I am requesting that this court require said Deutsche Bank to prove beyond reasonable doubt that they indeed possess the Original Note that will make the Deed of Trust effective to pursue the foreclosure proceedings.

Paul Ogalesco declares under penalty of perjury, the foregoing is true , and complete.
